### INSTRUCTIONS:

California schools are required to check immunization records for all new student admissions at Kindergarten/TK through 12th grades and all 7th graders before entry.

1. Notify parents of required immunizations and collect immunization records.
2. Copy the date of each vaccine from the child's immunization record to the California School Immunization Record (Blue Card, CDPH-286) and/or supplemental Tdap sticker [PM 286 S (01/11)] or enter into an approved electronic system that prints a Blue Card.
3. Compare number of doses on the Blue Card to the requirements above.
4. Determine whether child can be admitted.

Continued on next page.

**ADMIT A CHILD WHO:**

- Has all immunizations required for their age or grade, or
- Submits a **personal beliefs exemption** (before January 1, 2016) for missing shot(s) and immunization records with dates for all required shots not exempted, or
- Submits a physician's written statement of a **medical exemption** for missing shot(s) and immunization records with dates for all required shots not exempted.

**ADMIT A CHILD CONDITIONALLY IF:**

- He/she is missing a dose(s) in a series, but the next dose is not due yet. (This means the child has received at least one dose in a series and the deadline for the next dose has **not** passed.) The child may not be admitted if the deadline has passed or the child has not yet received the 1st dose.
- Has a temporary medical exemption to certain vaccine(s) and has submitted an immunization record for vaccines not exempted.

**When Missing Doses Can Be Given:**

Vaccine	Age (Years)	Missing Dose	Earliest Date After Previous Dose	Deadline After Previous Dose
Polio		2nd	6 weeks	10 weeks
		3rd	6 weeks	12 months
DTP/DTaP	Under 7	2nd or 3rd	4 weeks	8 weeks
		4th	6 months	12 months

Varicella	13-17	2nd	4 weeks	3 months

**DO NOT ADMIT A CHILD WHO:**

Does not fit one of the previous categories. Refer parents to their physician with a written notice indicating which doses are needed.

**FOLLOW-UP IS REQUIRED AFTER ADMISSION IF:**

- Child was missing a dose(s) in a series, but admitted conditionally.
- Child has a temporary medical exemption.
- Awaiting records for transfers from within California or another state. School may allow up to 30 school days before exclusion.

Maintain a list of unimmunized children (exempted or admitted conditionally), so they can be excluded quickly if an outbreak occurs.

Notify parents of the deadline for missing doses. Review records every 30 days until all required doses are received.
