Limitations: _____

- PE Medical begins when a doctor's note arrives and the student has modified-PE for 10 days or more within the 10-week grading period.
- Grading may be Pass/Fail for that quarter. Students will receive a grade of Pass if they follow teacher's directions based on the doctor's note.
- Long-term injuries of 6 weeks or more will be handled on a case-by-case basis.
- PE Exempt may be issued to students depending on the type of injury, length of inactivity, and the ability to participate.
- Students who are PE Exempt will be removed from the PE teacher's roster and will either take another elective or have a 5-period school day.
