

August 2021

Dear Willow Families,

Welcome to the 2021-2022 school year! We are very excited to welcome our Wildcats to campus for the first day of school on Wednesday, August 18, 2021. We are looking forward to our students being on campus full days this fall. [Please see our Willow bell schedule here.](#) We would also like to extend a warm welcome to all of our new Wildcats who will be joining us this school year!

Our Willow team strives to provide students with fun and creative learning activities, rigorous academic instruction, and opportunities for student connection. This school year we will continue to enhance our Student 360 program with lessons, activities, and instruction that build the social-emotional character and development of the whole child through kindness and mindfulness. We are elated to provide our students with a full-time visual and performing arts (VAPA) teacher, a full-time media center coordinator in our library, a full-time school counselor, and an experienced P.E. teacher. At Willow, we are committed to providing a well-rounded program, which affords students an opportunity to reach their highest potential.

Safety will continue to be a high priority this school year. [Please see this comprehensive resource guide regarding health and safety protocols.](#) Another top priority this school year will be providing opportunities to bring our Willow community back together! Please mark your calendars for the following events. Our wonderful PFA will share more specific details regarding these events via Parent Square.
