

Dear Willow Families,

Welcome to the 2022-2023 school year! We are very excited to welcome our Wildcats to campus for the first day of school on Wednesday, August 24, 2022. [Please make sure you are aware of our new Willow Bell Schedule.](#) I would like to extend a warm welcome to all of our new Wildcats who will be joining us this school year!

Our Willow team strives to provide students with fun and creative learning activities, rigorous academic instruction, and social-emotional learning. We are elated to be able to continue providing our students with a full-time visual and performing arts (VAPA) teacher, a full-time media center coordinator in our library, a full-time school counselor, a full-time intervention specialist, and an experienced P.E. specialist. At Willow, we are committed to providing a well-rounded program, which affords students an opportunity to reach their highest potential.

Please mark your calendars for the following events. [Our wonderful PFA](#) has shared more specific details regarding all of our exciting kick off events via Parent Square. An exciting update! Now that the re-registration process can all be completed online, our traditional “registration day” that was traditionally held the day before the first day of school is being replaced with a Welcome Back Movie Night & PFA Kick Off! We look forward to having the Willow community come together for a fun event to kick off a great school year!
