EXECUTIVE SUMMARY

On November 6, 2007, Las Virgenes area voters approved Measure E (“Parcel Tax”) - a parcel tax renewal for the Las Virgenes Unified School District (“District”) that will help provide the District local funds the State cannot take away and ensure quality education for students, support high academic achievement in science, math, reading, and the arts, provide needed textbooks and instructional materials and student counseling/support services. The voters authorized a Parcel Tax of \$98 per year for 8 years including an independent community oversight committee, an exemption for senior citizens and prohibit proceeds for administrator salaries.

Specifically, the Parcel Tax proceeds will support the following purposes:

- Sustain high academic achievement and ensure student success as academic needs evolve by maintaining essential academic programs, including science, math, reading, and the arts, while maintaining the ability to attract and retain quality teachers;
- Provide needed textbooks and instructional materials;
- Provide student counseling/support services;
- Provide program support for extra curricular/co-curricular activities;
- Protect the taxpayers’ investment in education and ensure District accountability by providing for taxpayer oversight and independent financial audits of revenues and expenditures.

Pursuant to the Local Agency Parcel Tax and Bond Accountability Act (Government Code § 50075.3.), this Parcel Tax Report (“Report”) summarizes the historical and current fiscal year parcel tax levies, senior exemptions, expenditures and other related data and information.

There are currently 26,861 parcels in the District as of June 30, 2015. The total annual parcel tax to be collected within District for fiscal year 2015-16 is \$2,274,874. Figure 1 on the following page summarizes the Parcel Tax levies since FY 2013-14.

ADMINISTRATIVE REQUIREMENTS

LEVY AND COLLECTION

The Parcel Tax is collected by the Los Angeles County Treasurer-Tax Collector and Ventura County Auditor at the same time and in the same manner and is subject to the same penalties as ad valorem property taxes. Unpaid taxes bear interest at the same rate as the rate for unpaid ad valorem property taxes until paid.

The collection of the Parcel Tax shall not decrease the funds available from other sources of the District in any period from the effective date hereof.

“Parcel of taxable real property” is defined as any unit of real property in the District which receives a separate tax bill for ad valorem property taxes from the Los Angeles County Treasurer-Tax Collector or Ventura County Auditor. All property which is otherwise exempt from or on which are levied no ad valorem property taxes in any year shall also be exempt from the parcel tax in such year.

Parcels owned and occupied by persons 65 years of age or older are eligible to apply for exemption from the parcel tax. The Los Angeles County and Ventura County Assessors’ determination of exemption or relief for any reason of any parcel from taxation, other than through the Senior Citizen Exemption, shall be final and binding for the purposes of the parcel tax.

SENIOR CITIZEN EXEMPTION

In order to provide tax relief to senior citizens in the community, any parcel owned and occupied by a person 65 years of age or older shall be exempt from the parcel tax upon proper application to the District and approval. The Senior Exemption deadline for FY 2014-15 was June 30, 2014. The senior exemption deadline for subsequent years will be June 15 prior to the applicable tax year. Senior exemption forms will be made available at the District office and the District’s website or through the parcel tax administrator.

RENEWAL PROCESS

Property owners that have previously applied and qualified for the parcel tax exemption, do not need to complete and return the renewal form for each subsequent

year, unless there is a change in property ownership, in order to continue their exemption status. Parcel tax exemptions will be carried forward for the remaining years of the tax as long as there isn't any change in property ownership.

DELINQUENCIES

Parcel tax delinquencies for the parcel taxes levied for FY 2014-15 are 2.13% as of June 30, 2015. See Figure 5 below:

FIGURE 5 - SUMMARY OF % OF UNPAID DELINQUENCIES

Total Special Tax Levied	\$2,276,148.00
Total Special Taxes Delinquent	\$48,568.80
Percent of Parcel Tax Delinquent	2.13%

¹ Delinquencies do not always constitute 100% of the annual levy.

APPROPRIATIONS LIMIT

Pursuant to Section 7902.1 of the California Government Code or any successor provision of law, the Board shall provide in each year for any increase in the District's appropriations limit as shall be necessary to ensure that Parcel Tax proceeds, and of all qualified parcel tax levied by the District, may be spent for the authorized purposes.

USE OF PARCEL TAX PROCEEDS

Pursuant to Section 50075.1 of the California Government Code, the Board has determined that the proceeds of the parcel tax shall only be applied to the following specific purposes:

- Sustain high academic achievement and ensure student success as academic needs evolve by maintaining essential academic programs, including science,

math, reading, and the arts, while maintaining the ability to attract and retain quality teachers;

- Provide needed textbooks and instructional materials;
- Provide student counseling/support services;
- Provide program support for extra-curricular/co-curricular activities;
- Protect the taxpayers' investment in education and ensure District accountability by providing for taxpayer oversight and independent financial audits of revenues and expenditures.

INDEPENDENT COMMUNITY OVERSIGHT COMMITTEE

To insure additional accountability, an independent community oversight committee made up of 7 volunteers was established. Seven community members were appointed by the Board to oversee all expenditures funded by the measure, and to advise the Board regarding the proper expenditure of the parcel tax proceeds.

APEALS PROCEDURE

Taxpayers wishing to challenge the County Assessor's determination must do so under the procedures for correcting a misclassification of property pursuant to Section 4876.5 of the California Revenue and Taxation Code or other applicable procedures. Taxpayers seeking a refund of the Parcel Tax paid shall follow the procedures applicable to property tax refunds pursuant to the California Revenue and Taxation Code.
